Washington, July 16.-The United States today instructed John R. Silliman. American consul at Saltillo, to inform General Carrange that if he arrives at a peaceful agreement with the Cabrajal government for the transfer of power at Mexico City, recognition will be extended to the resultant administration.

Should Carranza refuse to complete the settlement of the internat conflict by diplomatic means and insist on a foreible entry into Mexico City, recognition will be deferred until there is a legal

American forces, according to present plans, will not be withdrawn from Vera Cruz until a government is recognized,

This determination was reached by President Wilson and Secretary Bryan after the viewpoint of the South American mediators was taid before them. Under the terms of a protocol signed at Ningara Pails, the United States. Argentine, Brazil and Chile went on record promising recognition to the government set up sy any agreement between the two and the mediators now are bending their efforts.

The first move toward effecting a transfer of government to the constitutionalists already has been taken by Provisional President Carbajai.
